

## HOW TO GET TO ROCKFLOW'S HASLEMERE OFFICE

**Rockflow Resources Ltd, Bernay House, Lower Street, HASLEMERE, Surrey, GU27 2PE**

### How to get there by Road

#### From the North: London

From the M25 at Junction 10, take the A3 Southbound to the Milford/Haslemere exit, and follow the A283, then A286 to Haslemere. At the top of Haslemere High Street, turn right onto the A287 (Lower Street). The Rockflow office is on the right just next to the entrance to the station car park.

#### From the South: Portsmouth

Take the A3 Northbound to Hindhead, and exit at the Haslemere/A333 junction just before the Hindhead tunnel. Take the A333 to Hindhead, then turn right onto the A287 to Haslemere. Continue straight through the town, pass the railway station, and the Rockflow office is the first turn on the left at the entrance to the station car park.

There is limited visitor parking at the office, alternatively there are several public car parks nearby, the most convenient being the station car park or the Tanner's Lane car park.

### How to get there by Rail

Haslemere is on the London Waterloo to Portsmouth main line. The Rockflow office is situated next to Haslemere station. Exit the station building, turn left, walk through the car park, following the blue path, and the Rockflow office is the first building you reach on the left next to the car park vehicle entrance/exit.
